

2020-21 SENIOR CALENDAR

- Visit www.transferiniowa.org to see how community college classes transfer to Iowa universities.
- Plan a college visit(s). See the Mrs. Weiss for assistance in scheduling. Try to visit at least two or three for comparisons.
- Begin filling out applications to colleges--you can apply to more than one. Most colleges request that you submit the following: an application (with fee), standardized test scores, high school transcript, and possibly recommendation letters or an essay.
PAY ATTENTION TO DEADLINES!
- Make contact with the people writing recommendation letters for you so they don't feel rushed. Many schools have specific forms or topics they want included in the recommendation. Request these early and be appreciative.
- Create a Federal Student Aid (FSA) ID. It's a username and password. Remember, both parents AND students each need an FSA ID. Parents can use the same FSA ID to file all of their children's FAFSAs, but each child needs his/her own FSA ID. Go to <https://fsaid.ed.gov/npas/index.htm> to create your FSA ID.
- Register on www.fastweb.com for national scholarships
- Register with the NCAA or NAIA if you plan to play sports at the college level: www.ncaastudent.org

OCTOBER

- Fill out the FAFSA (Free Application for Federal Student Aid) as soon as possible: www.fafsa.ed.gov Remember, it is very important for parents to have their income tax figured as early as possible. Some colleges allow parents to use estimates based on last year's taxes, but no federal loans or grants will be granted until taxes are complete. The sooner you can submit your FAFSA form after October 1, the more likely you'll be higher on the list for aid. Much of the federal aid is first come, first receive. Make sure you list the colleges where you want the financial info sent.
