

ADMISSION TESTS

****Shenandoah High School Code Number: 164-010****

The ACT is a national college admissions examination that consists of subject area tests in English, Math, Reading, and Science. All four-year colleges and universities accept the ACT. It is recommended that students take the exam at least once during their junior year. Most students retake the exam at least once in the fall/winter of their senior year in order to see if they can improve their score.
