Section 4: Minor School License Requirements and Information

Where can the student drive and at what times?

The student may drive without adult supervision between the hours of 5 a.m. and 10 p.m. for the following purposes:

- Drive from home to school(s) of enrollment or school sponsored activities using the most direct and accessible route. Activities must be at the school(s) the student is enrolled in.
- Drive to a school that is not their school of enrollment to participate in extracurricular activities. Activities must be in a contiguous (bordering) school district for a public school student or within a 25 mile driving distance for an accredited non-public school student and must be held at a site, facility, or school designated for the activity under a sharing agreement between schools or conducted at a site or facility that the school they are enrolled in has designated to accommodate extracurricular activities.
- Drive to and from their home to the closest school bus stop.
- Stop for fuel while on route or at the closest filling station off route.

The student may also drive at any time with adult supervision (same as instruction permit). Adult supervision means a parent, guardian, custodian, an immediate family member at least 21 years of age, a driver education instructor, or a person at least 25 years of age with written permission from parent, guardian, or custodian. The supervising adult must possess a valid driver's license.

Passenger restriction

When driving without adult supervision, the student may only carry one minor passenger that is not a relative. A relative means someone that is the student's brother, sister, step-brother, step-sister, or another minor living in their household.

No electronic communication devices

The student may not use a cell phone, smartphone, tablet, or other electronic communication or entertainment device while driving.

What happens if student gets a ticket/violation?

A minor school license will be suspended if the student is convicted of a traffic violation (including, but not limited to, speeding, reckless driving, failure to obey a traffic signal), violate any of the restrictions on the license, or is involved in a crash the student caused or contributed to.

First offense: license will be suspended for 30 days; \$20 reinstatement fee

Second offense: license will be revoked for 30 days; \$20 reinstatement fee; must reinstate to instruction permit for six months before the student is eligible for another minor school license.

Note: Any time you have a violation, or any time your license gets suspended or revoked, your six-month period to have a clean driving record will start over.

Eligibility requirements to advance to Intermediate License

The next level of the graduated driver's license program is an intermediate driver's license. To obtain this license, applicants must be at least 16 years old and hold an instruction permit (or instruction permit then minor school license) for at least 12 consecutive months and maintain a clean driving record for at least six consecutive months immediately before applying for an intermediate license. Intermediate driver's license applicants must also complete 20 hours of supervised driving in addition to any driving completed in driver's education. At least two of those hours must be between sunset and sunrise.

For more information about the Graduated Driver's License Program for people under age 18, please visit <http://www.iowadot.gov/mvd/driverslicense/under18.html>

Please bring this completed form along with the student's driver's education certificate of completion to any driver's license issuance location to obtain the student's Minor School License. The cost is \$8.00.

1. I understand this school permit is to go directly to and from in-district school and school activities by the most direct route.
2. I understand this school permit is a valuable tool but carried with it is a good deal of liability for parents.
3. I understand the only students I may transport in the vehicle with me while driving on a school permit are my sibling(s). My sibling(s) may ride from where I live, to and from school, with me to my school destination.
4. I will abide with all traffic laws.
5. I understand if the permit is abused, I will lose the privileges provided by its use.

The Iowa DOT has adopted a new minor school license that requires the board to determine a special need exists for a student to be granted a minor school license that lives less than a mile from the school.

- The most direct route to and from school is deemed unsafe or has road construction that is anticipated for an extended period of time.
- Parent/guardian work hours are consistently scheduled at a time that interferes with the student attending school or participating in school-sponsored activities unless the student is permitted to drive.
- Either the student or parent/guardian have a medical need or physical disability that interferes with the student attending school or participating in school-sponsored activities unless the student is permitted to drive.
