April 2021

M.A.Y. MEETS REMMI!

M.A.Y. Mentors and family members and M.A.Y. Students met K9 Officer Remmi on March 25. Remmi's handler, Sgt. Grant Booker and Officer Michael Cisneros demonstrated how Remmi identifies the scent of drugs. They also answered questions and allowed students to pet and play ball with Remmi.

MC² & ELKS MEMBERS ENJOYED A CORN HOLE TOSS TOURNAMENT AND WINGS AT

A huge THANK-YOU to
Brian Hammons and Andy Dinges
for helping us with the tournament!

KITE FLYING, ROCK HIDING, PICNIC SACK MEALS—M.A.Y. 3!!!

Our next M.A.Y. Group Activity will include lots of great spring activities! This will be Monday, May 3 at 5:30 p.m. behind (north side) the K-8 Building. We will have kites for mentees to fly, individual sack suppers packaged by our school food program for a picnic, and then we will go to city parks to distribute the friendship rocks we painted last spring. These will be slightly hidden randomly for others to find for a positive message of inspiration. If it isn't windy, mentors and mentees can take the kites to fly at a later time. If it is raining we will re-schedule!

PLEASE RSVP by April 28 so I have enough meals and kites!

JADE HAGEY, WALLIN PLUMBING, VISITS WITH MC2 MEMBERS MARCH 11;

JADE WILL ALSO BE SPEAKING TO OUR LINKS TO LNX E-MENTORING STUDENTS AND E-MENTORS IN LATE APRIL OR EARLY MAY; DATE TBD

Spring is a GREAT time to start mentoring! Many outdoor activities are wonderful options for getting together, even it is a simple walk together! M.A.Y. is in GREAT need of some male mentors!

We have some awesome young men who could use a good male role model and someone safe and caring for them to hang out with.

We know you are busy. We know there doesn't feel like there is enough hours in the day, but for an hour a week of including someone in your life, you could change someone else's forever.

It has been a hard year. Kids need connections!
