Strategic Planning!

A sub-committee from our M.A.Y. Advisory Board met for Strategic Planning for our program on January 19th.

Thank you to Margaret Burns, Taylor Goetz, Lori Knight and Tyler Maher for taking extra time to discuss future plans for M.A.Y.

Many details of strategic planning and new ideas were discussed.

Overall, our main priority for the remaining school year and next year is:

Students LOVE their Mustang Mentors!

Our second semester Mustang Mentors are off and running!

MC² Towel Hockey

Members of our MC² Mentoring Club and some great community members enjoyed a WILD game of “Towel Hockey” on Sunday, January 15. In case you aren’t familiar with towel hockey, a towel wrapped up and taped is your “stick” and a wiffle ball is the puck. One must play wearing socks (no shoes).

We then enjoyed eating at El Porton after the games! Thank you Mike Bauer, Luke Dalley, Becky and Jesse Hagey and Carter, Kelsi Leininger, John Leininger, Bethann and Kaleb Tillman and Adam Wright for joining us!

MC² Breakfast Speaker

Staci Shearer, Funeral Home Director, shared her career journey with our MC² students on January 31 over breakfast! Thank you Staci!
