# Tannenbaum Tea

*December 2024*

M.A.Y mentoring had the lovely pleasure of decorating a table at the Tannenbaum tea which was held on December 14, 2024 @ the Elks club in Shenandoah. We also are very thankful to be chosen as the organization that Tannenbaum tea proceeds were given to this year. My girls and I were able to attend the event and see all the lovely other tables, mingle with many individuals in the community and enjoy some delicious food.

# Mentor Online Training

*December 2024*

M.A.Y Mentors had the opportunity to participate in the online training hosted by Iowa Mentor. This training focused around creating a mindset around mentoring. Giving tips and tricks on how to be an effective mentor that makes or builds strong connections with their mentee.

## **Adopting a Mentoring Mindset**

*Introduction to the Becoming a Better Mentor Series*

*Virtual Training for Mentors*

[Thursday, December 5, 2024 --4:30PM-6PM](#)

Iowa MENTOR program partners, please share with your mentors! Iowa MENTOR will host a virtual training session on the mentoring mindset twice before the end of the year. This is a training for any individual that would like to be a mentor or is serving as a mentor in a mentoring program. A perfect "first step training" where we will explore some critical attitudes, beliefs, and behaviors that serve as the foundation of being an effective mentor. Participants will receive a certificate of completion and should come prepared to learn and interact with others.

Mentors need to only attend one of the trainings. Please have mentors register at the dated link above.

As a program partner, this training is designed to assist you in delivering the Becoming a Better Mentor training series as an introductory training. It is our hope that the mentoring mindset training will engage mentors in the journey of self-awareness and supportive engagement.

# Mustang Mentors in Action

January 2025

We have a program called Mustang Mentoring where Juniors and Seniors from the High school can come over during a free period to be a mentor in a PK-8th grade classroom. We will be highlighting some of these students throughout the next several months. Allowing you to see their work in action. The Mustang Mentors mentor students inside the classroom, in specials and also in the lunchroom. We are so thankful for these students and their dedication to the younger students. When they come into the building you see students light up as they immediately recognize their Mustang Mentors.

# Mentor Recruitment

January 2025

If you know anyone that might be a good fit for the M.A.Y Mentoring program please encourage them to contact me to become a mentor. The commitment is 4 hours a month for 1 year. The program hosts a 2 hour event every month to engage mentors/mentees so really the mentor and mentee only need to meet 2 hours a month outside the event. We have several waiting students who want to get a mentor and would love to be participating in the program. We thank you in advance for helping spread the word and keep this program strong.

*Make a difference in your community and help us to inspire, connect and encourage our youth.*
