# The questions kids are asking today are **BIG!**

- Why am I here?
- How can I feel less alone?
- Am I enough?
- What's the point of any of this?

As the adults who are answering, what are we telling them?

How are we responding?

What are the most important messages ALL kids need to hear in today's world?

*Combining humor, authenticity, heart, and soul, international speaker Joe Beckman shares five specific phrases he believes all kids (and adults) need to hear. The result is a refreshing, authentic, and down-to-earth approach to finding **self-worth** (Love YOU), **resilience** (Push Through), **confidence** (Fail On), **joy** (Yeah Toast!), and maybe most importantly, **human connection** (Just Look Up).*

Joe Beckman's mission has been to RECLAIM HUMAN CONNECTION in school communities throughout the world.

Joe has shared his infectious energy, humor, and passion in over 1000 schools, positively impacting over one million people worldwide!

Joe will be speaking to our staff and students on the morning of August 31 and all day on September 1.

M.A.Y. Mentoring felt he is the perfect voice for what we are working to accomplish through mentoring! Please join us:
