Mentor Training Event

October 24, 2023

Lindsey, the M.A.Y Program coordinator is trying to update all M.A.Y Mentor files and will need you to email your updated car insurance to maymentoring@shencsd.com. She is also working on collecting a picture and information about mentors for mentor spotlights that will happen in January. Please be on the lookout for information to fill out and send back.

The group talked about vaping education that is happening in the school system in conjunction with page county public health. We also discussed the community resources that are available to our families if they are looking for support and the best way to distribute that information. The mentors gave some good feedback about the upcoming events and best time to hold monthly events going forward.

Mentor

When: October 24, 2023
Where: Shenandoah PK-8, Library
Time: 5:30pm

Please bring an updated copy of your car insurance for us to update files or you can email a copy to maymentoring@shenandoah.k12.ia.us

MC² Bags Tournament

October 25, 2023

The Elks Club hosted the Annual Bags tournament for the MC² High school students. Mike Bauer & Kelly Jolly gathered some community members to team up with our high school students. The students and the community members were broken into teams and competed in the tournament.

The bags tournament went well and all had a great time together. The winners were awarded gift cards to 1st place and 2nd place. The students and community members were then served Tacos and Wings by the Elks dinner staff. They visited together for a while and learned more about the students and their interests while in school and after graduation.

M.A.Y Indoor Movie Night

October 28, 2023

We held an indoor movie event featuring the movie Teenage Kraken. The First National Bank Creston provided us with popcorn for the popcorn bar. We were so blessed to have water donated to us by Hy-Vee. The kids had a great time and loved the movie.

M.A.Y Indoor Movie

When: October 28, 2023
Where: PK-8 Commons
Time: 3:00pm-5:00pm

We are treating this like an outdoor movie just inside due to fluctuating temperatures. Please bring lawn chairs and or blanket to sit on.

We will also have a popcorn and candy bar available as well as water and juice.

RSVP: <https://forms.gle/QfVITr8j18LjAP6>

MC² Breakfast Speaker

October 31, 2023

We hosted Cyber Security expert Jamie Saker at the May Center. Jaime was able to speak about his unique job in cyber security working under Northwest Bank. He presented to MC² students about the various opportunities available when thinking about working in cyber security and how to diversify yourself in college to be more marketable in the cyber security field.

His line of work is very interesting and allows them to always be busy. He shared a few websites that can allow students to try their hand at cyber security work prior to college. He explained how it can even help you get a job without a college degree because it allows you to collect badges and certificates. Jamie was able to showcase his work in cyber security and AI to students and help them see that the options are endless and you will constantly be learning and growing in this field as it changes so quickly. We appreciated hearing from Jamie and learning more about his job.
