Todd Oliver, The Funniest Night Of Your Life

Have you ever met a talking dog? Get ready, because on Tuesday evening, March 29 in Shenandoah Iowa you're going to meet the funniest comedian on 4 legs!

"Irving," with a little help from his friend, Todd Oliver, is going to talk up a storm! If you ever wondered how a dog looks at life, this little home raised companion is going to give it to you straight from the dogs mouth. He won't mince words, and if he does, it's Todd's fault anyway—he's a ventriloquist, magician and musician.

Todd Oliver grew up loving dogs, ventriloquism, music and magic. As a young boy he studied piano, guitar, voice, and the variety arts. Along the way he created some wooden headed, hysterically funny characters and performed around the world. You'll also meet a live bunny named Charlie and 4 beautiful birds!

Todd Olive and Friends have been a feature on Late Show with David Letterman, The Tonight Show with Jay Leno, The Late Late Show with Craig Ferguson, The Today Show, a couple of episodes of Walker Texas Ranger and in 2012 they were a top 4 finalist on America's Got Talent. A major draw for many years on Showboats in Branson, MO and Nashville TN, as well as other major entertainment venues, Todd is now touring, bringing his brand of clean, family fun to towns across America.

So sit back and get ready, you might even be on stage yourself! Todd turns audience members in to real live ventriloquist dummies! Either way, on March 29 at 7:00 p.m. in the Shenandoah High School Auditorium, you're going to have a doggone good time with "Todd Oliver, The Funniest Night of Your Life."

Todd will be speaking to Shenandoah Students (K-12 grades) on Monday and Tuesday March 28 and 29th also. Along with humor and fun, Todd's performance includes some great messages for our students. His "the Positively Positive Day Play" is a 30 minute assembly program of ventriloquism, comedy and audience participation.

Messages include:

1. Using one's time wisely
2. Turning talents into skills
3. Our pets and our responsibilities
4. Developing good character traits
5. Making good choices for good results
6. Self respect and respect for others

With help from a GREATER SHENANDOAH FOUNDATION GRANT AWARD, M.A.Y. wants student to hear positive encouragement while having fun' and our community to enjoy a fun, clean family friendly event. The performance is a free will donation with proceeds going to support mentors and mentees in our mentoring programs.
