Select **Parent/Teacher Conferences**

The Below screen will appear.

At the very top of the screen in the blue band will list your student/s name/s.

The top section will list the available conference you can schedule for.

If you already had a time selected for that student it would show in the below panel as in the example below.

The screenshot shows the PowerSchool SIS interface. At the top right, it says "Welcome, Kathy Slaman | Help | Sign Out". Below the header, the student's name "Brandon Cody" is displayed. A navigation menu on the left lists various school-related options, with "Parent/Teacher Conferences" highlighted in a teal box. The main content area is titled "Parent/Teacher Conferences" and contains a message about Fall Conferences. Below this is a section titled "My Parent/Teacher Conference Reservations" which contains a table of scheduled conferences.

Conference	Student	Teacher	Date	Time
Fall Conferences	Adair, Brandon LB	Adams, Mark B	10/15/2019	3:00 PM - 3:20 PM

Fall Conferences	Adair, Brandon LB	Hastings, Jacquelyn V	10/15/2019	3:40 PM - 4:00 PM

When You **Select** the **conference** in the top box the below screen will appear. You would Select the teacher in the top box to select the teacher you need to meet with. You should have received an email with your student name and the teacher you need to schedule with Prior to conferences.

You would then select the next student from the above blue bar and repeat the process for each student if you have multiple students.
