

# Covid 19 High School Credit & Grading Information

The 2019-2020 school year is wrapping up and teachers will begin putting grades into powerschool, please read the following information.

## **9th-11th Grade Students**

- Students who are able must begin completing the credit recovery assignments for the 19/20 school year
- Students that are not completing the assignments will earn an incomplete grade for 2nd semester in powerschool
- Students have access to Credit Recovery Google Classrooms for each of their high school courses
- Teachers are posting 8-12 assignments for students to do on the Credit Recovery Google Classrooms (all assignments will be posted by May 26)
- Students should be doing these assignments during this voluntary learning time if they are able
- Parents/Guardians may request access to google classroom by emailing their student's instructors
- Once students complete the 8-12 assignments, they will earn credit for 2nd semester
- Teachers will begin putting completion grades into PowerSchool gradebooks on May 11 to ensure parents have access to student progress on credit recovery
- Teachers are putting together paper pencil assignments for students that are not doing the online assignments.
- Students that are unable to do the assignments during the voluntary learning time will receive an incomplete as their 2nd semester grade until they complete the assignments
- Students will get the option to earn a semester 2 grade that counts toward their GPA or to take a class as pass/no pass (which will not affect GPA). Students are still required to meet graduation requirements in terms of total credits and specific required courses
- ALL IWCC students: college classes are still required and a grade could be failing if you do not complete the work for these classes. This does include concurrent classes with Ms. Laughlin, Mrs. Martin, and Mrs. Skillern.
- ALL AP students: AP teachers should be contacting you with updates and information about these classes.
