\*Note from Coach Weinrich

Hello! This will be the 16<sup>th</sup> time we have held this camp and the results have been tremendous! Our varsity has won 180 games over that time and has broken over 50 team records, as well as produced the Fillies career record holder for points, assists, and rebounds (along with many others!) These have only occurred because of the hard work and dedication from parents, players and coaches working together. We look forward to seeing you this summer!
