

Dear Parents or Guardians,

Summer meals for kids and teens are available all summer long at sites across our community! Stopping by a summer meal site with your family not only saves you time and money spent grocery shopping and meal prepping; it also helps support our school and community.

Summer Meals Provided:

June 2, 2026 to June 4, 2026 (High School & K8 School)

Meals are free for children and teens ages 18 and under. **(Once per day)**

No application or registration required!

-This year we're going to non-congregate meal service **(to go only)**. This helps with all of our very busy summer schedules that we all face.

-We are dedicated to still serving children and the community, and we plan to serve meals at five locations throughout our community: Shenandoah High School, K8 School, Logan School, Shen. Public Library and Sportsman Park.

Summer Meals Program Details: June 8, 2026 to August 9, 2026

Each location will serve (to go) lunch meals between 11am to 12:30pm Monday through Thursday. Each location will also have a breakfast meal for the next day. On Thursday's, each location will have weekend meals available as well.

-Farragut City Hall is 10:00 am to 10:30 am only Mon-Thurs

-We have only one interruption to our daily schedule for this summer. July 27-August 2 (Pickup will be on July 27th). For these dates, we will offer bulk meals that can be signed up for in advance. Only the parent/guardian or intended participant will be able to pick up their orders. Our school website will have a posting as we get closer to these dates.

To find meal sites near you, visit Shencsd.com or Call 2-1-1 or 1-866-3HUNGRY (or 1-877-8HAMBRE) or go online to www.fns.usda.gov/meals4kids

We will have menus posted on the school website under "nutrition" after the regular school year is over.

We look forward to serving you this summer.

Have a safe and healthy summer!
